Term 5

Issue 1

19/04/24

**This Week at Wheatfield** – Welcome back to term 5. I hope that you all had a lovely Easter break and have ensured that you have had enough rest, ready for the next two terms which are always very busy! I hope that Eid celebrations went well and that everyone is ready for summer to begin! It was great to see all of the children and families returning to school on Tuesday this week with smiles on their faces ready to start the term.

Mrs Carver ☺

## **Parking**

I am sorry to be writing this as a main article in the newsletter but parking on the school site is causing a real concern. Cars are only permitted to use the drop off zone with permission from myself or a senior leader - Mrs Jackson or Mrs Roberts. **The drop off zone is only for blue badge holders or users with a school permit displayed on the dashboard.** We are unable to stand at the car park gate every day to monitor this, but ask that unless you have permission, you park safely on the road outside school. Unfortunately, if we continue to have parents parking on the drop off loop without permission, we may end up only being able to grant access to blue badge holders. Please do not park in this area unless you have permission. Thank you in advance for your co-operation - Mrs Carver ☺

## **Sensory Garden dream!**

Can you help us turn this unloved corner of our school grounds into a sensory garden for all to enjoy? We have a vision but would like some help to turn this into a reality. Are you a landscape gardener that could spare some time to adapt our plan to the space? Do you have contacts that might donate materials? Do you know of any grants that we could apply for? If you can help in any way, please speak to Mrs Carver or Mrs Boyes.

*Welcome*

This week, we welcome two members of staff to the Wheatfield team. Mrs Jones has joined our office team, replacing Miss Dimmer who left at the end of term 4. We also welcome Mrs Winter who has taken on the role of Teaching assistant. She is currently upstairs working with our key stage two children. I know that they have both already been made to feel very welcome at the school and a strong part of our team. Please feel free to pop and say hello when you are able to.

## Wheatfield in Bloom

Following the success of last year's Wheatfield in Bloom, we would like to ask children and families to contribute to a school display of vibrancy and colour! If you would like to take part, it is very simple and a fun activity to do with family.

1. Find a plant pot of any shape and size
2. Decorate the pot (put your first name and class somewhere on the pot)
3. Fill the pot with a vibrant plant/flowers
4. Bring the pot into school where it can be displayed at the front of school, along the footpath.

A group of children will take responsibility for keeping the plants watered. At the end of the summer term you will be able to take your plants back home to enjoy in your own garden. We hope this will brighten up the school and also be a fun family activity to do together. ☺ Thank you for your support

**School Values Award:** *Choose Respect – Take Responsibility – Show Resilience – Be Kind*

This term's value is 'Respect'

| Our award goes to ... |                        |               | Our award goes to ... |                 |                |
